Aim at the Drake

And you are bound to hit some of the ducks. This is precisely the same with

Wampole's
Tasteless
Preparation
OF
Cod Liver Oil.

It aims to cure Consumption, Hits the Mark, too, and it most effectually breaks up Colds, Coughs, Hoarseness and all Throat and Lung troubles that cause this disease.

It is natural logic to conclude that if WAMPOLE'S PREPARATION OF COD LIVER OIL has power to prevent Consumption, it surely is able to cure these lesser emergencies.

This vigor-making, fat producing preparation is Absolutely Tasteless, in so far as Cod Liver Oil is concerned. All you notice is a delightful flavor of Wild Cherry and Anise.

But the purest Norwegian Cod Liver Oil is there all the same. It is a great blood enricher. Best of all it is a natural food that in its stomachic effects, actually assists its own assimilation.

In Pulmonary or Bronchial troubles it is unequalled. No one doubts the value of Cod Liver Oil, but not every one is able to take it.

WAMPOLE'S PREPARATION removes the nauseous objection and actually makes Cod Liver Oil palatable.

The Hawaiian Annual now in its Nineteenth year, and acknowledged not only as the best authority on all information pertaining to the islands that residents should know and strangers invariably ask, but the only reference book of Hawaiian statistics, and annual recorder of current and reminiscence events. There are homes probably in this land in which it is unknown, except by name, and there are numerous friends abroad to whom this publication would afford untold satisfaction for the fund of reliable information it imparts in its one hundred and fifty or more pages, with nothing of the "Guide Book" gush about it. Price per copy to any address in these islands, 75 cents; or mailed to any address in the Postal Union for 85 cents each.
